**Fifteenth Sunday in Ordinary Time (A)**

**11<sup>th</sup> & 12<sup>th</sup> July 2020**

Dear Friends,

In today's Gospel Jesus tells a parable of a sower sowing seeds. He explains that the seed is the word of God and the soil is the heart of those who hear the word. Some seed yield a rich harvest. For the seed to grow it needs to be planted in good soil. What kind of soil do we offer God's word?

The word of God has the power to change and transform us. It is always preached at a particular situation. In times of violence, it is a word of peace; in times of hurt, it is a healing word; to hearts engulfed in despair, it is a word of consolation and hope. Listening to the word of God, a person has new perspective. They can see that the way things are is not the way things are meant to be. They receive a new vision, new encouragement, and a new determination to change the cause of their dissatisfaction.

Hearing the word of God is not just knowledge but is it a power and has the authority of God. Therefore, a person living by the word will transform themselves, and their own situation. Listening to the readings and the homily at Mass; recognising words of wisdom we speak to each other; hearing what the Lord is saying in our heart; this is receiving the word in rich soil, and guaranteeing an abundant harvest.

*Please keep safe and mind yourself and each other.*

*God Bless,*

*Father Maurice*

**The Cardinal Nichols' Press Statement**

I am pleased to attach to the Note the full Guidance published this morning by HM Government on the use of Places of Worship from 4th July 2020 in England.

I wish to point out the following key points to which we must give heed:

**1. Risk Assessment.**

The advice is clear that a risk assessment must be carried out before a church can be brought back into

use. Failure to complete an adequate risk assessment could constitute a breach of regulations.

**2. Numbers and Social Distancing.**

**a.** The guidance is clear that 30 people is the maximum for Funerals Services and Weddings, and Baptisms as ceremonies outside the normal pattern of parish worship.

**b.** The guidance is clear that a calculation of numbers to be admitted to a church needs to be made carefully with a number of factors in mind, especially social distancing and potential pinch points (access and egress).

**c.** Social distancing means 2 metres or "1 metre with risk mitigation." 1 metre without additional measures is not an option offered in the guidance. It clearly recommends using "1 metre with risk mitigations" only "where 2metres is not viable."

**3. Singing.**

The Guidance stresses that singing is to be 'specifically avoided.' If a cantor is to be used, then it recommends a Perspex screen be placed between the singer and the congregation in addition to social distancing, which should be increased.

**4. Distribution of Holy Communion.**

The Guidance has quite specific statements about this under the heading of 'Food and Drink.' Please give this particular attention. The guidance is explicit that Communion is to be given hand to hand only and that social distancing is to be maintained with people moving within the space.

**5. Duration of service**

The guidance is clear in its use of phrases such as 'the shortest possible time' and 'minimising time spent in contact' as important factors in reducing risk.

**6. Test and Trace**

Please write down your name and details as you enter the church.

**Please be patient with us as we try to organise everything in order to protect ourselves and each other.**
