**Fourteenth Sunday in Ordinary Time (A)**

**4<sup>th</sup> & 5<sup>th</sup> July 2020**

Dear Friends,  
At these times, we all find life difficult. We become overburdened with problems and worries of one kind or another. Like losing our jobs, the future of our children, fear of another peak in the pandemic. What can we do? We can use all kinds of excuses for not turning to Christ, as if we are in control. In today's Gospel, Christ tells us to bring all our burdens to him and he will give us courage, peace and strength. Let us come with love and trust in prayer.

**Prayer**

Dear Lord,  
Amidst the confusion of these days, give us the calmness of the everlasting hills. Help me to know the restoring power of sleep. Slow us down Lord, to look at a flower, to chat with a friend on the phone, to read a few lines from the Scripture. Remind us that there is more to life than increasing its speed. Let us look into the branches of a towering oak and know that it grew tall and strong because it grew slowly and well. Slow us down, Lord. Teach us to be gentle and humble of heart, and thus we will find rest for our soul.  
Amen

*Please keep safe and mind yourself and each other.  
God Bless,  
Father Maurice*

**The Cardinal's Nichols' Press Statement**

I am pleased to attach to the Note the full Guidance published this morning by HM Government on the use of Places of Worship from 4th July 2020 in England.

I wish to point out the following key points to which we must give heed:

**1. Risk Assessment.**

The advice is clear that a risk assessment must be carried out before a church can be brought back into

use. Failure to complete an adequate risk assessment could constitute a breach of regulations.

**2. Numbers and Social Distancing.**

**a.** The guidance is clear that 30 people is the maximum for Funerals Services and Weddings, and Baptisms as ceremonies outside the normal pattern of parish worship.

**b.** The guidance is clear that a calculation of numbers to be admitted to a church needs to be made carefully with a number of factors in mind, especially social distancing and potential pinch points (access and egress).

**c.** Social distancing means 2 metres or "1 metre with risk mitigation." 1 metre without additional measures is not an option offered in the guidance. It clearly recommends using "1 metre with risk mitigations" only "where 2metres is not viable."

**3. Singing.**

The Guidance stresses that singing is to be 'specifically avoided.' If a cantor is to be used, then it recommends a Perspex screen be placed between the singer and the congregation in addition to social distancing, which should be increased.

**4. Distribution of Holy Communion.**

The Guidance has quite specific statements about this under the heading of 'Food and Drink.' Please give this particular attention. The guidance is explicit that Communion is to be given hand to hand only and that social distancing is to be maintained with people moving within the space.

**5. Duration of service**

The guidance is clear in its use of phrases such as 'the shortest possible time' and 'minimising time spent in contact' as important factors in reducing risk.

**6. Test and Trace**

Please write down your name and details as you enter the church.

**Please be patient with us as we try to organise everything in order to protect ourselves and each other.**
