### Peace Garden

During the month of October, St Albans reflected on the mysteries of the rosary. Three families and our primary school produced beautiful displays of the Joyful, Luminous, Sorrowful and Glorious mysteries.

These are now displayed in our parish garden for this month of October in honour of Our Lady Queen of Peace and on our website under events.

### Thirtieth Sunday in Ordinary Time (A)

24<sup>th</sup> & 25<sup>th</sup> October 2020

Dear Friends,

The centre of the Christian life in Matthew's mind revolves around love, the love of God, neighbours and self. These are all interrelated and on such love, all law and teaching are based. Love must be put into practice. The first reading makes it very plain that what God wants of us is not grandiose declarations of faith or impressive religious observances, but the very ordinary things of life like taking care of the weak and the orphaned, not exploiting the poor, welcoming and respecting the stranger. When we realise that without these things our love of God is empty, then we are on the right track. We can begin to use the directions Jesus gives, we can follow his example and please God be welcomed by him into our heavenly inheritance. Religion is not something separate from the rest of life. God is very close to us – as close as our neighbours, as close as the person sitting next to you.

### Practical Suggestion for the coming week

Spend some time thinking of all the ways God has shown his love for you. Thank him

Spend some time thinking of the ways others show their love of you. Thank some of them for their love this week.

Identify how you show your love for people, and make a special effort this week to do something loving for someone you normally overlook.

*God Bless,  
Father Mauríce*

**Reception Admissions September 2021 St Alban's Catholic Primary School**

Due to the Covid-19 pandemic, we have taken the decision not to have face-to-face school tours; this is in line with our risk assessments, which require our small staff team to be in isolated bubbles and to avoid having members of the public on site. However, we do fully appreciate how important this time is in your child's early education and we know and understand that you need to get a feel for the school and to ask questions.

This year, we shall be hosting a virtual open evening for prospective parents and carers wishing to apply for a school place for their child in September 2021. There will be a presentation by the Head Teacher and the Early Years staff covering basic information and many of the frequently asked questions. You will also have the opportunity to request a telephone appointment with the Inclusion Manager if your child has special educational needs.

We know that this is not perfect and we know that there may be some schools still arranging face-to-face visits, but we hope you will see that our decision is putting the safety of our current children as the first priority and will agree that this is a good thing for any child who attends our school.

**We hope that you can 'meet' us at 7pm on the 10<sup>th</sup> November via Zoom. Please contact the school office by telephone - 01708 555644 for the link or email [contact@st-albans.haverinq.sch.uk](mailto:contact@st-albans.haverinq.sch.uk)**
