**Ask your MP to sign a parliamentary motion calling on the Government to introduce new guidance on foetal pain**

A new parliamentary motion (EDM 1340) is calling on the Government to introduce new guidance on foetal pain. The evidence that babies can feel pain in the womb, and during many abortions, highlights the humanity of the unborn child and provides another important reason to introduce legislation to protect the unborn child from abortion. Right To Life UK have set up an easy-to-use tool which makes it simple to contact your MP, and ask them to sign this motion calling on the Government to introduce new guidance on foetal pain. It only takes 30 seconds using this easy-to-use tool. This tool can be accessed by visiting the link below:

**Fifth Sunday in Ordinary Time (Year B)**

**6<sup>th</sup> & 7<sup>th</sup> February 2021**

Dear Friends,

I recall as a child often hearing the phrase “that would try the patience of a saint”. It always made me wonder how much patience you needed to become a saint. Not that many saints, as far as I could tell, had great patience; many of them seemed to be rushing around all the time, always up to some good deed or another, often at great personal cost. Occasionally I would also hear someone referred to as having “the patience of Job” (a phrase coined by the Apostle St James to encourage the early Church to stand firm in the face of suffering and persecution). I was never quite sure who this Job was. Whether he was an actual historical figure is the subject of debate; the book of Job is part of the Wisdom literature of the Old Testament (along with the Psalms, the book of Proverbs, and others), and its main theme is how one particular human being dealt with pain and suffering that he clearly did not deserve. Job makes a rare appearance in our readings at Mass this Sunday, and his lament for the troubles of life must strike a chord with so many of us in these dark times. Despite his weary outlook, Job refused to complain against God at the unfairness of life, and in the end he was rewarded. For St James, Job was an example for us all to follow. When life really seems hard, when the pain gets too much to bear, however hard it may seem, we just need to keep going. Easier said than done. True patience is found in building a relationship of trust with the Lord. St Teresa of Avila, who had to bear more than her fair share of trials in this life, wrote these words:

Let nothing disturb thee, nothing affright thee

All things are passing, patience gains all.

Who serves God, wants for nothing.

He alone is sufficient.

As we take each tentative step through this pandemic, and hope beyond hope for an end, while mourning the loss of so many we have loved, we couldn't do better than make this our prayer. Take care and keep safe.

Deacon Ken
